

Application for Affiliation

Affiliation with the NYSAPF is open to organizations that are interested in or concerned about the welfare of animals. Organizations eligible to join as active affiliates include municipal and not-for-profit animal shelters, humane societies, and SPCAs based in New York State as well as national animal welfare organizations.

Organizations that do not meet the requirements for active affiliate status may be eligible to join the NYSAPF as an advisory affiliate if they have a vested interest in and actively participate in the care of companion animals suffering from or at risk of homelessness.

Dues are payable upon initial acceptance to the Federation and then on an annual basis corresponding to the calendar year. *Dues may be pro-rated at the discretion of the Board of Directors.*
